UNIVERSITY OF MYSORE

Mr. E. G. MCALPINE,
Vice-Chancellor.

MYSORE
9th November 1942.

Dear Sir,

With reference to your D.O.letter No.2055/W,dated the 6th November 1942, I write to say that I hardly think it would be advisable for Lt.(Engineer) B.N.Lele, R.I.N., to visit the University Colleges in Mysore at the present moment in connection with recruitment of Royal Indian Navy. Hundreds of students have unfortunately had to be arrested for activities which they committed deliberately in order to impede the war effort, and in these circumstances it hardly seems likely that it would serve any useful purpose just at the present moment for any one to address a students audience on the subject of recruitment of Royal Indian Navy. If there are any students who are really keen to enter the Navy, it think it would be better if printed information regarding the terms of recruitment etc., could be sent to me, I would send them to Mr.Rollo and ask him to put up a general notice on the College Notice, Board that details regarding recruitment to Royal Indian Navy were available, and that any students interested might apply to him.

Yours sincerely,

E G McAlpine
